

4 EASY STEPS

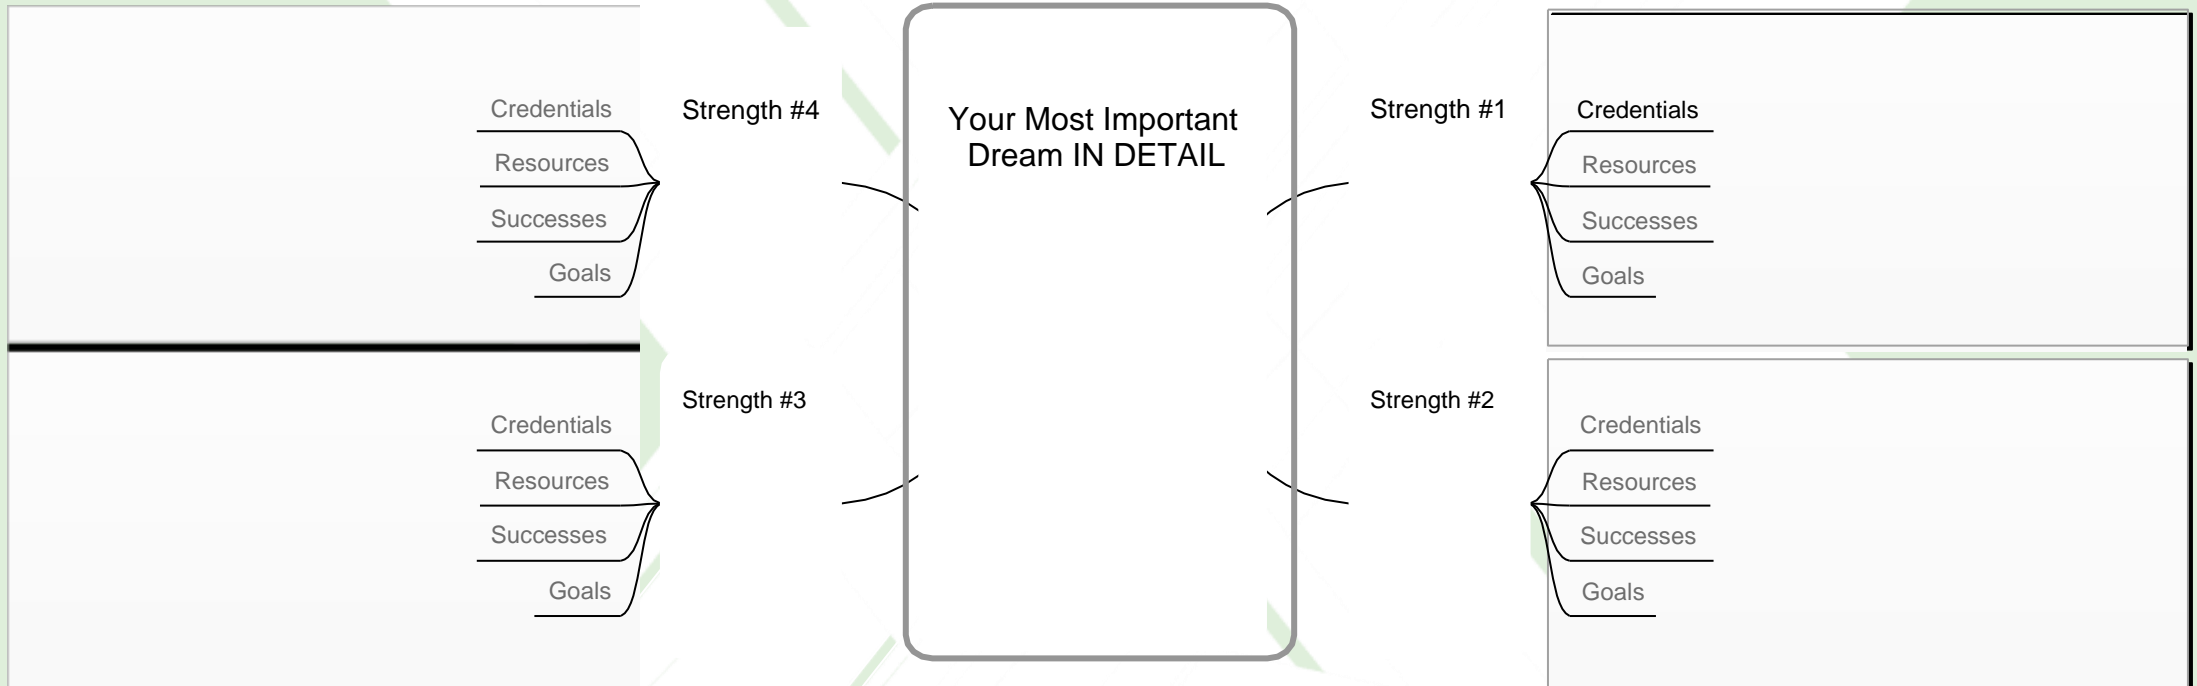

- STEP 1 - In the Center Box, write in your dream
- STEP 2 - From the dream, write in 4 of your greatest strengths related to dream beginning with #1 being the greatest strength
- STEP 3 - From each strength, develop a list based on the 4 items listed (abbreviate and use the lined boxes for additional notes)
- STEP 4 - In the bottom yellow box, write in your completed Vision Statement based on this exercise & beginning with "I AM"

PERSONAL VISION MAPPING TOOL™

VISION = A precise and clearly defined goal which identifies the future outcome desired.

TIP: The more specific you are in creating details and goals along with deadlines and accountability, the more likely you are to see your vision come to fruition. Once it is written, keep it in front of you and align your schedule & decisions with it.
